

Know Your Soils: Maximise Their Potential

Thomsons Catchment Project invites you to a free practical learning day with Professor Jim Moir from Lincoln University.

What to expect

- ▶ **Engaging indoor sessions:** Learn about the unique characteristics of Manuherekia Valley soils.
- ▶ **Hands-on field sessions:** Examine soils on two intensive farms and get practical tips on soil management.
- ▶ **Expert insights:** Hear from Professor Jim Moir, a leading soil scientist focused on enhancing grassland farming systems.
- ▶ **Practical advice:** Discover how to manage soils for sustainable production and environmental health.

Guest Speaker:
Professor Jim Moir

What to bring: Gumboots and weather-appropriate clothing

Open to all – don't miss this opportunity to enhance your soil management practices!

LUNCH ON US!

Wednesday 26 June 2024

11am – 2.30pm

The event kicks off at Omakau Golf Club, then moves to two local farms for on-site soil examination

RSVP: Please confirm your attendance and any dietary requirements by 20 June to thomsonscatchment@gmail.com
